3171   Frontend Software Developer Focus Mobile App 50-100% (w/m/d)

Beschreibung:

Für unseren Kunden in Winterthur, suchen wir einen Senior Frontend Software Developer Fokus Mobile App 50-100% (w/m/d).

- As a frontend developer, you'll take our mobile app to the next level
- As a leader, you identify with our vision and are driven to realize it
- As a creator, you take responsibility for getting the job done under your own steam
- As a developer, you want to get on board with a new, cool, and ambitious project and help to shape it

Anforderungen:

- You have outstanding frontend skills
- You have experience of mobile app development and understand the challenges mobile apps present
- You have a good working knowledge of the Ionic stack/Capacitor, Typescript, and React
- Experience with Swift and Java for Android (native development) would be a bonus, but it isn't essential
- Since you'll be working with an international team, you speak both English and German

Einsatzort	Winterthur
Start	Nach Vereinbarung
Pensum	50-100%
Projektdauer	Festanstellung
